- Selection of Quiches (V)

FOR LATER (FROM 7.30PM)

- Vietnamese Lemongrass Beef Salad (GF options)
- Smokey Beef BBQ Sliders with American Style Slaw
- Crispy Squid with Lemon Aioli

CATERING PROVIDED BY

BAR SERVICE

The bars for Inside the Rail are run on an account basis (i.e. no cash) and this year we will be utilising a ticket system bar tab. A ticket costs \$3.00 and you as the sponsor, will nominate prior to race day the dollar amount of tickets you wish to purchase.

Further tickets can be obtained on race day from the Sponsor's Bar Coordinator who will be located in a designated marquee in the Sponsors' Marquee area. These tickets can be purchased with cash or added to your bar total. It will be at your discretion as to the number of tickets you give each of your guests.

Wristbands will be limited to the number you advise as your catered numbers, so it is extremely important that you get these numbers right.

Your Private Christmas Party Experience.

Sponsors & their guests will be able to cross the track back to the General Public Area between races. Access will be closed off 15 minutes prior to the next race and no access will be possible until after that race is run. Security will be posted at both sides of the track and therefore NO entry will be granted to persons WITHOUT a sponsor allocated wristband.

As in the past there will be a Designated Smoking area and between Races 1 & 6 we would ask that smokers refrain from smoking/vaping in the marquees and use the area provided. We would ask that you communicate this to your guests as well.
